1 A mediation was held under the Court's ADR program on March 27, 2008. The parties, however, were not able to resolve the matter. 3 Two issues hindering settlement are determining (i) the number of vacation days plaintiff/counter-defendant Kevin Joyce took during his employment, and (ii) the nature 5 and extent of Joyce's work for other businesses while employed by defendant/ 6 counterclaimant American Timber and Steel Co., Inc. 7 8 The parties thus propose focusing their initial discovery on these issues. After 9 conducting such narrow discovery, the parties believe they will be better able to make 10 informed decisions on whether to settle. 11 To permit the parties sufficient time to first conduct narrow discovery on the two 12 issues discussed above, and then to conduct broader discovery thereafter if necessary, the 13 parties respectfully request that all dates in this action (including the current discovery 14 cutoff of August 1, 2008) be continued two months. 15 16 **DATED:** March 28, 2008 THE WRIGHT LAW FIRM 17 18 19 By20 Attorneys for Plaintiff/Counter-Defendant 21 22 DATED: March 28, 2008 23 KLEIN, DENATALE, GOLDNER, COOPER.
